Our 57th Year!

January 2011

2011 Starts with Competition

We started off 2011 with Competition #4 and judge Phil Echo. As always, his critiques were right on point. We really appreciate his insight and commentary, and we're looking forward to seeing his presentation in April. On another note, our trip to St. John the Divine was a great success. (Thanks, Conrad!) It's a beautiful cathedral and I urge those who couldn't make it last Saturday to take a trip to see it. It's easily accessible, and most of us were able to find street parking. FYI, tripods are OK (and recommended!) as long as they have rubber tips.

Here's the January standings. Note: Altered Reality scores through December are included (although unchanged). **Want to improve your Altered Reality skills? Join us on Saturday for Anastasia Tompkins' presentation (see pg. 4).**
