Volume 57 Issue 6

Our 57th Year!

February 2011

Two More Competitions are History!

The scores below reflect the current standings after two competitions (January Make-up and February). Thanks to Anastasia Tompkin's Altered Reality presentation, we are all a bit more comfortable experimenting in this venue. We appreciate your guidance, Anastasia. And we definitely appreciated the wonderful display of images (including some of our own!) at the presentation of the Ridgewood International on February 19th. We are first Club to view it, and, as always, it was an inspirational treat. Congratulations to Frank Foto (4 acceptances - including an **HM**), Veronica Saunders (4 acceptances), Annabelle Washington (2 acceptances) and me (5 acceptances).
